## Pre-Concert Social

**Friday 14<sup>th</sup> June 18:00** revised!

For those of you arriving on the Friday, Grazey (SID lover, SNDH admin) and local "Hullensian" has arranged a social gathering taking in Hull's historic old town and its finest pubs. The plan is to meet at the Minerva pub (est. 1827!) at 18:00 for those wanting food. Then move on to the pubs listed below. People can join the us along the route if you can't make the start. Text Grazey or Gareth on the night for our location. Hull city centre is pretty compact, so these venues are within 15 minutes walking distance of all major hotels.
